Welcome! Meet Your Teachers!

Congratulations on becoming a Toddler! The transition from the Infant Room to the Toddler Room is the hardest transition, both for the children and the parents. We want you to feel very comfortable when making this transition, so we have prepared this information to give you some insight to the changes you will experience now that your child is a toddler.

Please read through this booklet before your child begins his/her transition. If you have any questions, please stop by and talk with the Toddler teachers or the Director Brittany Ewald.

We can also be reached via phone at 763.591.0681 or email at holynativityccc@gmail.com.

Toddler Room Staff

Amy Laite:
Amy is one of our Toddler Co-Teachers and has worked for us since May of 2006. Amy has completed coursework and earned numerous certifications in Early Childhood Education. She has worked with children for over 17 years. She resides in New Hope with her husband, Josh, and is the proud mother of two biological children and two step-children.

Kelli Hovland:
Kelli is one of our Toddler Co-Teachers and has worked for us since May of 2011. Kelli has an AA in Education and has worked in early childhood for two years. Kelli resides in Minneapolis.

Rachael Johnston:
Rachael is a part time aide in the Toddler Room and has been with us since August of 2011. She lives in New Hope with her fiancé, LaRon, and their daughter, Ashlya.

Kali St. Hilaire:
Kali is a part time aide in the Toddler Room and has been with us since August of 2013. Kali is currently completing her AA in Liberal Arts. She lives in Robbinsdale with her fiancé, Alvin, and their daughter, Kylie.

Changes from the Infant Room to the Toddler Room

There are numerous changes that your child will be experiencing as they move to the Toddler Room. These changes are often difficult and will require a lot of work on the teachers’ and parents’ part. These changes will include:

- Naps taken on a cot
- Nukks/blankets only available during nap
- Meals eaten on chairs
- Drinks offered in sippy cups; then regular cups
- No bottles are served
- Hard-soled shoes are worn
- Outside play twice daily
- 1:7 ratio
- More structured schedule
- Thematic learning approach

Please feel free to discuss any concerns with the Infant Teachers, Toddler Teachers, or the Director. We make every effort to make it as easy as possible.

Special points of interest:

- Who are my teachers?
- What will my new schedule look like?
- What will I be learning every day?
- What about my nap schedule?
- What more do I get to do as a Toddler?
Daily Schedule

As a toddler, your child will experience a more structured schedule than they had in the Infant Room. The Infant teachers have done their best to prepare your child for the transition from on-demand scheduling to a more rigid schedule, but there are bound to be areas that need further work. The following is a sample of the daily schedule your toddler will follow:

700-730 A.M.: Combined Free Play
730-830 A.M.: Toddler Free Play & Art
830-845 A.M.: Circle Time
845-915 A.M.: Breakfast
915-945 A.M.: Diapering, Music & Movement
945-1000 A.M.: Language Arts
1000-1030 A.M.: Art
1030-1115 A.M.: Outside/Large Muscle
1115-1130 A.M.: Wash Hands, Story-time
1130 A.M.-12:15 P.M.: Lunch
1215-1245 P.M.: Diapering
1245-300 P.M.: Naptime
300-330 P.M.: Snack
330-400 P.M.: Diapering, Sensory
400-430 P.M.: Circle Time, Songs
430-515 P.M.: Outdoor/Large Muscle
515-600 P.M.: Combined Free Play

Since your child will have scheduled meal and naptimes, it is most helpful for your child (and his/her teachers) if your child follows a similar schedule on non-daycare days as well.

Curriculum and Enrichment Activities

As your infant transitions to a toddler, they become more curious about the world around them and are ready for more structured learning to take place. As a toddler, your child will experience many opportunities to tap into their curious and creative sides. Every day in the Toddler Room, your child will experience the following:

Circle and Story Time: reinforcing language and communication development through stories, songs, fingerplays, numbers, the alphabet, and theme activities
Art: self-expression through structured and free art
Sensory: activities to ignite their senses and sense of discovery
Outdoor Time/Large Muscle: building physical skills twice a day

While the Toddler Room lends itself to a more scheduled day, it is still flexible enough to allow for all of the changes that take place at this age. The toddler teachers thrive on the toddlers’ sense of curiosity and thoroughly enjoy giving them new experiences to partake in. Daily group activities foster a sense of community and group identity.

The Toddlers partake in three special enrichment activities each week: KidFit, Growing with Music, and Chapel.

KidFit is led by Gina Arens. In this program, the children “wiggle, jump, learn, dance, and giggle” in the guided activities. The focus is on making fitness fun for kids and on learning healthy habits. KidFit is scheduled on Mondays.

Our Growing with Music teacher is Darcy and is on Thursdays. Growing with Music’s primary objective is to “encourage and develop the young child’s natural creativity and interest in music, while respecting their individual needs.” Their goal “is to develop the child’s socialization, communication, motor, and academic skills through the use of age appropriate vocalization, movement, and instrumental activities” (taken from the Growing with Music philosophy statement).

Chapel with Pastor Jason is on Fridays. Pastor Jason leads us in kid-friendly worship and Bible lessons, with the goal of promoting a healthy spiritual life.

Parent-Teacher Communication

Each morning the parent is responsible for filling out their child’s daily note and signing their child in. The sign in sheet is located outside of the Toddler Room on the Parent Communication Center, along with the daily notes and each child’s “mailbox”. We ask that the parent fill out the top portion of the daily note and place it in their child’s mailbox. Throughout the day, Toddler staff will fill out the lower portion to let you know how your child’s day was. Please remember to take them home at the end of the day to learn about your child’s day at school. We want to maintain open communication at all times with the parents of our enrolled children. We encourage you to give us feedback on our program and planned activities. At all times we hope you will feel free to speak with any of us about a concern or complaint. Please speak to the teachers directly in order to settle a situation or grievance. If you cannot find resolution at this point, please speak to the Director. We wish to serve you in the best way possible. Your input and needs are important to us as we try to provide the best possible care of your child. If at any time you wish to visit the Center to see your child, please feel that you are always welcome. Please feel free to call or email at any time to speak with the Director or your child’s teacher. We will make every effort to notify you via phone, email, or written communication whenever a situation arises that we feel you should be aware of.
success only if it is a joint effort. Con-

meat. The process will be a train your child. Teachers will watch provide a blanket for their child, a nuk, ask for suggestions that will help you they fall asleep. We ask that parents provide a blanket for their child, a nuk, and/or stuffed animal that will help their child rest easier. Most of the tod-

Naptime

Toddlers take only one nap a day, scheduled from around 12:45 P.M. to 3:00 P.M. The toddlers sleep in the toddler room on cots, with quiet music playing and some faint light illuminat-
ing the room. The Toddler Teachers will pat or rub the children’s backs until they fall asleep. We ask that parents provide a blanket for their child, a nuk, and/or stuffed animal that will help

Toilet Training

Toilet training is part of the toddler program. The toddler teachers will be a tremendous help to you while going through potty training. Talk to them about the signs of readiness and also ask for suggestions that will help you train your child. Teachers will watch for the “window of opportunity” in readiness and will suggest training when signs are given. At this time, you will have a discussion with the toddler teachers about beginning the potty training process. The process will be a success only if it is a joint effort. Con-

Cubbies

Your Toddler will have two labeled cubbies: one in the Toddler Room and one in the Muscle Room. Items needed in the classroom (blankets, extra clothes, etc.) are to be stored in their classroom cubby. Items needed for outdoor play (snowpants, jackets, boots, mittens, hats, etc.) are to be kept in the Muscle Room cubby. We ask that ALL of your child’s items be labeled with your child’s first and last names to prevent items from being lost here at HNCCCC. We ask that parents clean out their child’s cubbies as necessary to prevent an overflow of unnecessary items. Also, please be sure to keep the cubby stocked with extra clothes that are of the appropriate size and season. Tod-

Mealtimes

Breakfast is served at 8:45 A.M. and is provided by HNCCCC. Breakfast consists of cold cereal, hormone-free 2% milk and 100% apple juice.

Lunch is served around 11:30 A.M. and is either provided by the parents or purchased from our catering company, Premier Kitchen, Inc. According to nutritional guidelines, your child’s lunch must have the following: two fruits/ vegetables, meat or meat alternate, a grain, and milk (provided by HNCCCC). We do not re-heat any food for the children, so parents may bring hot food in a thermos to be kept outside of the re-

When signs are given. At this time, you will have a discussion with the toddler teachers about beginning the potty training process. The process will be a success only if it is a joint effort. Con-

staff is essential. The Center staff feel strongly that children who are toilet training should wear underwear or panties. Once the potty-training process is going smoothly and the child has grasped the idea of toileting, children must be brought to the Center in underwear or the staff will not help train them. Parents are asked to send three or more complete changes of clothing for the child in case of accidents, in-

first, but be assured your child will get the hang of it within a few weeks and every effort will be made to make them as comfortable as possible. They are generally so tired during their first weeks as a toddler that they fall asleep earlier than most!

If you have any concerns about meal-
times or if your child has a food allergy, please let us know. Finally, HNCCCC is a peanut/tree nut free center, in-

cluding items that are processed on equipment that processes nuts.

parents may bring hot food in a thermos to be kept outside of the refrigerator for their child’s lunch. We ask that parents label their child’s lunch box and thermos in permanent marker with their child’s full name.

Parents may instead choose to pur-

chase a hot lunch for $2.00 per lunch. Menus and order forms are provided a couple weeks in advance of the month, and parents are to return their orders before the month begins. Hot lunches are nutritionally sound and include all the necessary meal components.

HNCCCC provides cups, bowls, plates,

and spoons for the children to use at mealtimes.

Snack is served around 3:00 P.M. and is provided by HNCCCC. It includes milk and a nutritional snack that varies daily.

We will work with you every step of the way to help not only the child, but the parent as well. Until a Preschool child is fully potty-trained (including during naptime), the family will continue to pay the Toddler tuition rate. Diapers and diaper ointment are provided by the parents. We provide a supply of wipes.

We ask that parents clean out their child’s cubbies as necessary to prevent an overflow of unnecessary items. Also, please be sure to keep the cubby stocked with extra clothes that are of the appropriate size and season. Tod-

Mission Statement

This Center is the ministry of the church, a way of meeting the needs of children and their families, including sharing the Gospel of Jesus Christ. Through the Center, the church commits itself to the social, physical, emotional, spiritual, and intellectual well-being of children. All the work of the Center is rooted in the Gospel of Jesus Christ, whose name is proclaimed with love. The Center commits itself to an inclusive ministry serving people regardless of their race, language, ethnicity, gender, social, or economic background. The Center commits itself to fair and equitable employment practices, including non-discriminatory hiring, just compensation, and affirmative action. The Center commits itself to strive toward the highest standards of excellence in this ministry.

What Do I Need To Bring Each Day?

- At least THREE complete changes of season and size appropriate clothing (pants, shirts, socks, underwear, one pair shoes)
- A blanket and/or stuffed animal for naptime
- Diapers and ointment
- A lunch box containing a nutritional lunch, or having a lunch purchased in advance
- Winter gear, as seasonally appropriate (snowpants, winter jacket, boots, mittens, hat, etc.)
- Sunscreen and sun hat from May to September

Program Objectives

- To provide a warm, nurturing environment that encourages the development of the whole child
- To provide an environment that is based on successful experiences, which encourage all children to develop a healthy self-concept and positive self-esteem
- To offer an environment that encourages children to develop their capabilities and interests at their own pace and according to their individual needs
- To offer a program that recognizes the uniqueness of each and every child and provides positive encouragement for the child’s continued growth
- To create an environment that provides the child with the opportunity to learn by doing and moving from hands-on experiences to more abstract concept development
- To provide opportunities for a lifetime of creative living and learning
